PRODUCT:
Vanda Flangeless Flush Fit track
Single system VA-FF-0020

DESCRIPTION:
The Flangeless Flush Fit aluminium track is designed to be installed either flush to the ceiling or recessed.

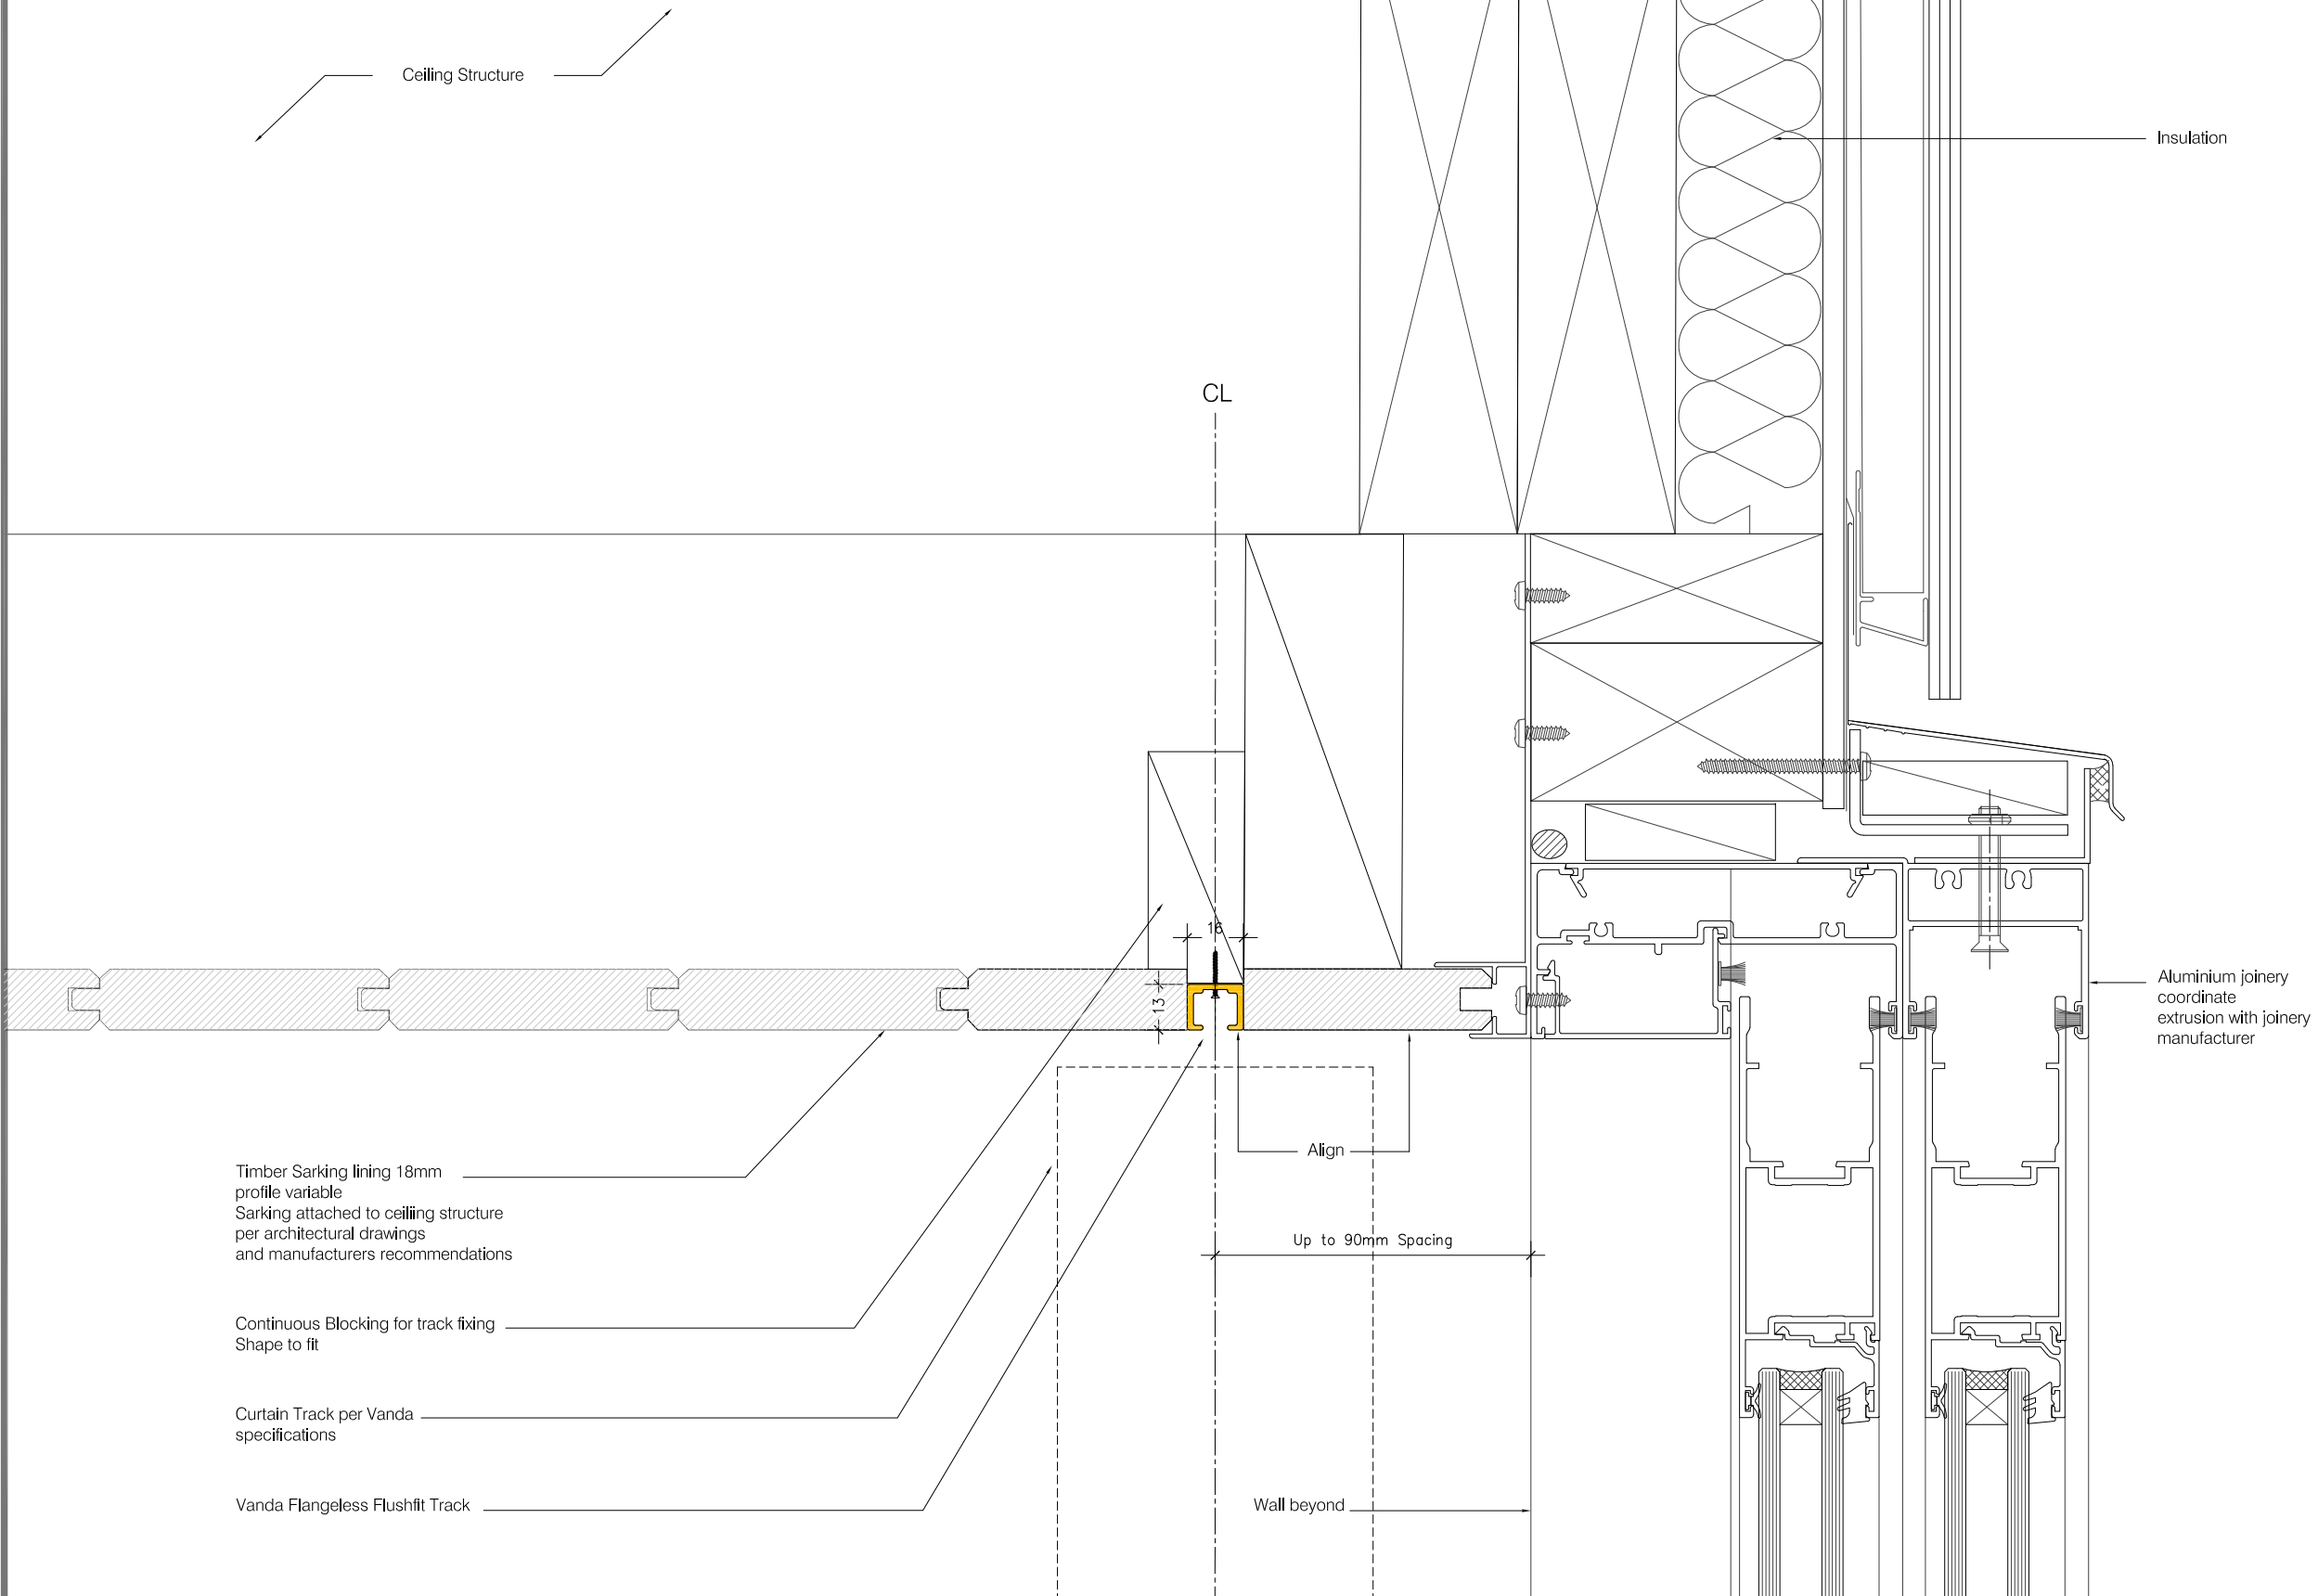

MATERIAL:
Powder coated aluminium in standard Vanda White or a Dulux powdercoat colour.

NOTES:
Vanda suggests the distances vary between 50-90mm from the wall however the above measurements depend on the curtain heading being specified.

For Double Flush Fit installations with bends, set track centres to 95mm.

DISCLAIMER:
Note that the architectural detail is shown for reference only. All architectural details shown shall not be used for construction, and shall be drawn by an architect according to the specific building project and application. Drawing intent shows the possible placement of Vanda products within a building context.
